## **The Parallon Trilogy by Dee Shulman**

Dee Shulman's Parallon Trilogy is a thought-provoking and emotionally resonant exploration of the afterlife, inviting readers to question their own beliefs and perspectives on life, death, and the human soul. Through a captivating blend of metaphysical fiction and spiritual insights, Shulman

unravels the mysteries of the afterlife, offering a profound and transformative journey for seekers of truth and meaning.

The trilogy consists of three interconnected novels: "Parallon," "Ethereal," and "Ascension." Each book delves into different aspects of the afterlife, from the initial transition after death to the evolution of the soul. Shulman's writing is both lyrical and thought-provoking, weaving together personal stories, philosophical insights, and scientific research to create a compelling and immersive experience for readers.

The characters in the Parallon Trilogy are as diverse as the afterlife itself, each representing a different perspective on death and the human journey. We meet those who have experienced near-death experiences, those who have lost loved ones, and those who are searching for meaning in their own lives. Through their experiences, Shulman explores the universal themes of love, loss, forgiveness, and redemption.

### **Key Themes and Concepts Explored in the Parallon Trilogy**

The Parallon Trilogy tackles a wide range of metaphysical and spiritual concepts, including:

- The nature of the afterlife: Shulman presents a multi-dimensional and evolving afterlife, where souls continue to learn, grow, and experience.
- Reincarnation: The trilogy explores the concept of reincarnation as a journey of soul evolution, offering hope and purpose for the afterlife.
- The power of love: Love is portrayed as the most powerful force in the universe, connecting souls across time and space.

- The importance of forgiveness: Shulman emphasizes the transformative power of forgiveness in healing relationships and releasing past traumas.
- The ongoing journey of the soul: The trilogy suggests that the soul's journey continues long after physical death, with each life serving as a stepping stone towards enlightenment.

## **Critical Reception and Impact**
