Originally known as "America's Typical Teenager," Archie Andrews has become the most famous kid in town (and probably the most typical). His signature does-out-hair, cool, friendly personality, and his love of the girl of his dreams, Betty, all make him a true American hero. He is always willing to help out friends and hope to meet his goal: The Archie is the kid of the school!

While not the smartest student, and not the best in academic ability, he makes up for it with a sense of humor and a willingness to help out friends and hope to meet his goal: The Archie is the kid of the school!

He sure is a teenage sensation though! He has a reputation of being selfish, lazy, and someone who is eager to get a hand up. But he is a respect of authority. But someone is always in trouble, particularly with the principal, Mr. Weatherbee. Likewise, Veronica's father, Milton Lodge, is usually really mean when he sees Archie acting in his honor!
