Nestled in the foothills of the Sawtooth Mountains, Sugar Falls, Idaho, was once a sleepy little town with a dwindling population. But thanks to the Makeover Prescription, a unique community revitalization program, Sugar Falls has undergone a remarkable transformation.

The Makeover Prescription is a comprehensive plan that provides small towns with the resources and expertise they need to revitalize their downtowns, attract new businesses, and create vibrant community centers.

In Sugar Falls, the Makeover Prescription began with a series of community meetings to identify the town's needs and priorities. The community decided that they wanted to focus on revitalizing their

downtown, attracting new businesses, and creating a vibrant community center.

With the help of the Makeover Prescription team, Sugar Falls developed a plan to implement its goals. The plan included a number of strategies, such as:

- Renovating historic buildings
- Attracting new businesses
- Creating a community center
- Improving infrastructure
- Promoting tourism

The Makeover Prescription team also provided Sugar Falls with access to funding and resources. This funding was used to finance the renovation of historic buildings, attract new businesses, and create a community center.

The Makeover Prescription has had a profound impact on Sugar Falls. The town's downtown has been revitalized, new businesses have been attracted, and a vibrant community center has been created. As a result, Sugar Falls is now a thriving town with a growing population.

The Makeover Prescription is a proven success story. It has helped Sugar Falls, Idaho, and many other small towns across the country to revitalize their communities and create a brighter future.

## **The Downtown Revitalization**

The downtown revitalization project in Sugar Falls involved the renovation of several historic buildings. These buildings now house a variety of new businesses, including a coffee shop, a bookstore, and an art gallery.

The downtown revitalization project has also included the creation of a new plaza. The plaza is a gathering place for the community and is used for a variety of events, such as farmers markets and concerts.

The downtown revitalization project has been a success. It has helped to attract new businesses to Sugar Falls and has created a more vibrant and welcoming community center.

### **Attracting New Businesses**

The Makeover Prescription team helped Sugar Falls to attract new businesses by providing funding and resources. This funding was used to finance the construction of new buildings and to provide incentives to businesses to locate in Sugar Falls.

As a result of these efforts, a number of new businesses have opened in Sugar Falls, including a grocery store, a hardware store, and a restaurant.

The new businesses have helped to create jobs and have made Sugar Falls a more attractive place to live and work.

### **Creating a Community Center**

The Makeover Prescription team helped Sugar Falls to create a vibrant community center. The community center is a place where people can gather for a variety of activities, such as classes, workshops, and meetings.

The community center has been a success. It has helped to create a sense of community in Sugar Falls and has provided a much-needed space for people to gather.

## **Improving Infrastructure**

The Makeover Prescription team also helped Sugar Falls to improve its infrastructure. This included the construction of new roads, sidewalks, and utilities.

The infrastructure improvements have made Sugar Falls a more accessible and livable community.

## **Promoting Tourism**

The Makeover Prescription team also helped Sugar Falls to promote tourism. This included the development of a new website and marketing materials.

The tourism promotion efforts have been successful. Sugar Falls has seen a significant increase in tourism in recent years.

## **The Future of Sugar Falls**

The Makeover Prescription has helped Sugar Falls to revitalize its community and create a brighter future. The town is now a thriving community with a growing population.
