Bulgakov begins his book with a discussion of the origins of Christianity in Russia. He traces the spread of the faith from the Byzantine Empire to the Slavic tribes of Eastern Europe. He also discusses the role of the early Russian saints, such as Boris and Gleb, in the development of the Russian Orthodox Church.

Bulgakov then examines the growth of the Russian Orthodox Church during the Middle Ages. He discusses the church's relationship with the state, as well as its role in the development of Russian culture. He also discusses the rise of monasticism in Russia, and the role of the monasteries in preserving and transmitting Russian Orthodox tradition.

In the final part of his book, Bulgakov discusses the history of the Russian Orthodox Church in the modern era. He examines the church's relationship with the Soviet state, as well as its role in the revival of Russian Orthodoxy after the fall of communism. He also discusses the current state of the Russian Orthodox Church, and its challenges and opportunities in the 21st century.

The Making of Holy Russia is a valuable resource for anyone interested in the history of the Russian Orthodox Church, as well as its role in Russian history and culture. Bulgakov's writing is clear and accessible, and he provides a wealth of information on this important topic.
