Prepare to embark on an extraordinary journey into the realm of computer analysis of images and patterns at the upcoming 18th International Conference CAIP 2024. This prestigious event will take place in the enchanting city of Salerno, Italy, from September 2024, bringing together a global community of researchers, practitioners, and industry leaders to exchange groundbreaking ideas and foster cutting-edge collaborations.

Immerse Yourself in the World of CAIP

CAIP stands as a leading international forum dedicated to the exploration and advancement of computer analysis of images and patterns. The conference provides a platform for researchers and practitioners from diverse fields, including computer vision, image processing, pattern recognition, artificial intelligence, and machine learning, to present their latest findings, engage in thought-provoking discussions, and shape the future of this dynamic field.

Key Themes and Tracks

The 18th International Conference CAIP 2024 will delve into a comprehensive range of key themes and research tracks, encompassing:

- Computer Vision
- Image Processing
- Pattern Recognition
- Artificial Intelligence
- Machine Learning
- Deep Learning
- Applications in Various Domains

Salerno: A Vibrant Host City

Salerno, located along the stunning Amalfi Coast, offers a picturesque backdrop for the 18th International Conference CAIP 2024. This vibrant city boasts a rich history, captivating architecture, and a warm Mediterranean atmosphere.

Attendees will have the opportunity to explore Salerno's charming streets, indulge in its delectable cuisine, and immerse themselves in its lively cultural scene. From historical landmarks to scenic beaches, Salerno provides an unforgettable experience for conference participants and their accompanying guests.

Call for Papers

Researchers and practitioners are invited to submit their original research papers for consideration for presentation at the 18th International

Conference CAIP 2024. Papers should address one or more of the conference themes and tracks, demonstrating significant contributions to the field of computer analysis of images and patterns.

The deadline for paper submission is March 15, 2024. Detailed submission guidelines and instructions can be found on the conference website.

Registration and Important Dates

Early bird registration for the 18th International Conference CAIP 2024 will open in February 2024. Participants are encouraged to register early to secure their place and benefit from discounted rates.

Key dates to remember:

- March 15, 2024: Paper submission deadline
- February 2024: Early bird registration opens
- September 2024: Conference dates

Join the CAIP 2024 Community

The 18th International Conference CAIP 2024 promises to be an exceptional gathering of minds, fostering collaboration, intellectual exchange, and the advancement of the field of computer analysis of images and patterns. Join the CAIP 2024 community and be part of this transformative event in Salerno, Italy.

For more information and updates, please visit the official conference website:

<https://www.caip2024.org>

Conference Highlights

- Keynote speeches by renowned experts
- Technical sessions covering a wide range of topics
- Interactive workshops and demonstrations
- Poster presentations and exhibitions
- Networking opportunities with researchers and industry leaders
